My GitHub

Volunteering

I am now a volunteer at Children's Cancer Hospital Egypt 57357. I help children with cancer psychologically.

Personal Details

- Date of birth: 01-01-2002
- Nationality: Egyptian
- Martial Status: Single
- Sex: Male

Future Plans

❝ I'm going to learn the full-stack development the next November, with more problem-solving practice especially (Data Structures & Algorithms)

❝ After 3 or 4 years when I become proficient in web development, I'm going to start learning another field 'DevOps'.
